Linen Designer and Manufacturer

DECORATING THE WORLD

Since 1997

GARNIER-THIEBAUT USA
LINEN DESIGNER
& *MANUFACTURER*

Garnier-Thiebaut is a linen designer and manufacturer of bed, bath, table linen and accessories for the worldwide hospitality industry and homes. Garnier-Thiebaut belongs to HDM Industries; a worldwide leader in textiles, work wear, related services of the hospitality industry and retail.

Garnier-Thiebaut story begins in 1833 in the heart of the Vosges region in Gérardmer, with the marriage of two weavers: Virginie Thiebaut and Jean-Baptiste Garnier. Through the ages, they have succeeded to transmit their love for linen.

This story is lasting thanks to the authenticity, the passion and the wish to innovate every day to create the linen of tomorrow.

Garnier-Thiebaut is a vertical company and manages all the manufacturing steps: dyeing threads, weaving and processing fabrics, cutting, sewing, packaging and delivering finished products.

To create a singular proximity with its customers, Garnier-Thiebaut arrived in the USA in 1997 to import its French "Savoir-Faire". With a human scale team and the performance of an international company, we offer a tailored service to meet your expectations.

My dedicated team and I continue transmitting everyday this passion for quality linen and commit to finding the perfect fit to bring your ideas to life.

I let you discover our products exclusively designed for the hospitality industry and look forward to welcoming you in our team.

*Jean-Philippe Krukowicz,
Chief Executive Officer*

We would like to express our deepest appreciation to TRUMP INTERNATIONAL HOTEL in the OLD POST OFFICE PAVILION (WASHINGTON, D.C) and to the dedicated staff members for providing the room space for our photo shooting. We are grateful to the LODGE AT GLENDORN and the PRIMLAND BLUE RIDGE MOUNTAIN RESORT for sharing with us their professional pictures.
